## Uniform Specifications:

We have taken all suggestions and concerns seriously during our selection process while also keeping within our color scheme. Most importantly there will be no white clothing for parents to wash!

We highly suggest you prepare yourself for the year and buy more than one of each item, as stock may not remain available at all times. You will find items sold in sets of 2, 3, or more online. Although the top color options are open between grey and green, each child must have at least 1 green top (short or long sleeve).

To ensure comfort: clothing should be well fitting, not too tight, and not too loose.

Tops	Hunter Green or Grey Long Sleeve Polo Shirt  Hunter Green or Grey Short Sleeve Polo Shirt
Bottoms	Beige Polo Pants (Sept to May)  Beige Polo Knee-Length Shorts (June, optional)
Sweaters	Sweaters, Cardigans, Button ups, or vests are welcome for the colder days. Consider leaving on at school.  *No logos, branding or writing. Plain sweaters only (No hoodies)
Shoes	A pair of Indoor shoes must be sent with your child on the first day of classes. Please provide light comfortable slip-proof shoes in the color black or white. These shoes will remain in the building throughout the year and are only to be taken home during breaks for cleaning/washing.
Socks	Plain White or Black Socks of any length preferred by your child.

## **Extra Clothing:**

We ask for a clean set of clothing in case of accidents, to keep your child comfortable. It is preferred to be a set of the uniform; however, this is not mandatory as we understand costs can add up. If you are sending non-uniform clothing items: the items must not have a logo/branding/writing on them of any kind. Clothing must be plain colors (Beige, green, gray etc.)
